REMARKS

Claim 1 was rejected under 35 USC § 112 as an indefinite narrative that was replete with functional language and objected to as not being numbered in accordance with 37 CFR 1.126. The specification was objected to as not being properly arranged. The drawings were objected to as informal. The application was not reviewed on the merits.

Support for the amendments

Support for the new specification is set out in Appendix C wherein the new specification is cross-referenced to the original specification. Support for the new claims is found at paragraphs 9 - 12, 21 -26 and 32 -35 of the specification and in Figures 1 and 2.

The 112 Rejection and Rule 126 Objection

Applicant submits a new set of claims that obviates the Section 112 rejection and Rule 126 objection.

B

The Misarranged Specification

Applicant submits a new specification that obviates the rejection based on missarrangement.

The Drawings

Examiner has NOT indicated that this is an application that CANNOT be examined with informal drawings. Applicant will provide formal drawings no later than within three months of a Notice of Allowance.

Review on the Merits

The application is now in a condition that it can be reviewed on the merits.
